## PROFILE

---

Passionate and dedicated Final-year IT engineering student with a strong foundation in programming languages and web technologies. Eager to apply academic knowledge to real-world projects and develop professional skills through internship opportunities.

## INTERSHIP EXPERIENCE

---

### Infolabz IT Services Pvt.Ltd. Ahmedabad

Jan 2025 – May 2025

- Developed a web application using the MERN stack for EDUCATIONAL TUITION.
- Built RESTful API with Node.js and Express.js for CRUD operations and tested with Thunder Client.
- Implemented the sign-in functionality with JWT token authentication.

## PROJECTS

---

### 1. Educational Tuition :

- Developed a full-stack web application enabling users to explore education services, submit processing inquiries in real-time.
- Built responsive and intuitive UI components using React.JS and Bootstrap.
- Created RESTful APIs with Node.js and Express.js to handle user inquiries, estimate calculations, and status updates and education data.
- Designed MongoDB schemas to manage user inquiries, inquiry processing pipelines.

### 2. DelightfulEats – Online Recipe Explorer Platform :

- Stack:** React, Vite, JavaScript, Bootstrap, Styled Components, Context API.
- Built a responsive food recipe web app that allows users to explore, search, and favorite meals from an external recipe API.
- Implemented recipe search and filtering by name, cuisine, and tags using React Router and Context API for efficient state management.
- Designed detailed recipe pages with ingredients, instructions, and user ratings to enhance user engagement.
- Developed a user-friendly UI with Bootstrap and Styled Components, including carousel for featured recipes and toast notifications for user feedback.
- Integrated feedback form and favorite list functionality with local Storage for persistent user experience.

### 3. Mini Projects:

- Spotify Clone, Netflix Clone, Wheather Forecast .

## EDUCATION

---

Grow More College of Engineering

Himatnagar

**Bachelor of Engineering** in Information Technology

2022 – 2025

Government Polytechnic

Himatnagar

**Diploma** in Information Technology

2016 – 2020

## ADDITIONAL INFORMATION

---

- Programming Languages :** Java Script
- Technical Skills :** React.js, Node.js, Express.js, HTML, CSS, Boostrap, Tailwind
- Database :** Mongo DB
